

Curriculum Vitae

Personal details:

Name: Abdulhamed M Omar ETRIIEKI

Date/place of birth: 16 August 1985; Bonn, Germany

Education: BSc Degree: Gharyan (Al-Jabal Al-Gharbi) University
Faculty of Science, Biology Department, Zoology Branch
(2009 - 2010)

MSc Degree: Libyan Academy of higher studies, School of
basic sciences, department of life sciences (Biology), Tripoli
(2014 - 2018)

MSc Degree: Kastamonu University, Faculty of Science,
Biology Department (Entomology), Kastamonu, Turkey
(2018 - 2020)

In December 2022 I started the first Zoology PhD program
in Libya (at Misurata University), finished two taught
semesters (four courses: Advanced topics in molecular
embryology, Molecular Biology, Advanced topics in
physiology and Cell Signaling), and passed comprehensive
exam held in December 2023; the program is facing
financial issues

Nationality: Libyan

Marital Status: Married + 2

Languages: Arabic & English

Address: Awlad Bin Yacoub / Gharyan / Libya

Email: abdulhamed.etrieki@gu.edu.ly Hamidteriki85@gmail.com

Mobile numbers: (+)218 92 3051602 (+)218 91 6132081

Current Job Title: Lecturer assistant, Gharyan University, faculty of science
(Gharyan), department of Zoology.

Supplementary Tasks:

- Sponsored by the Sponsorship Department at the Ministry of Higher Education & Scientific Research in Libya for postgraduate study abroad.

SUMMARY OF EXPERIENCE

- Committee member of (midterm and final exams)
- Supervised some BSc graduation projects at Zoology Department
- Contacting & following up students at zoology department routinely (registration, graduation ...etc.)
- Supporting and helping department students by providing them with resources (internet based and hard textbooks).
- Familiar with basic biological and chemical materials, equipment and tools.

DETAILED WORK EXPERIENCE

Sep 2024-

Head of Zoology Department at the faculty of science (Gharyan), Gharyan University.

Jan 2021 - Aug 2024

Quality Coordinator at the department of zoology, faculty of science (Gharyan), Gharyan University.

Aug 2020 -

Lecturer assistant, Gharyan University, faculty of science (Gharyan), department of zoology.

In July 2020, I got MSc in Biology (majoring in aquatic ecology and invertebrates) from Kastamonu University; after which I returned to my work in Libya as one of the academic staff at the Zoology Department (Gharyan University). I was the supervisor of some projects of BSc students and the lecturer of some subjects at the department (Higher invertebrates, physiology, endocrinology, ecology, animal ecology). Moreover, I taught the physiology and histology parts of biology subject for pre-medical students of faculties of dentistry and pharmacy, in addition to three subjects (Molecular Biology, physiology, histology) at a private institute (Healthy life higher institute for Medical Sciences)

Oct 2012 - Aug 2018

Teacher assistant, Gharyan University, faculty of science (Gharyan), department of zoology.

At the end of the year 2011, I started as one of the teacher assistant cooperatives in department of zoology (faculty of science) of Gharyan University and by end of the year 2012 moved to be one of the teaching staff. I assisted in teaching the practical part of some subjects of my interest (Genetics, Molecular Biology, Cell Biology, Higher and lower invertebrates, and Physiology) for a total of 10 semesters; moreover, I worked as an exam invigilator in midterm and final exams

at departments of faculties of science, medicine, dentistry and pharmacy (Gharyan) of Gharyan University.

Published Research Papers

1- **Using macroinvertebrate-based biotic indices and diversity indices to assess water quality: A case study on the Karasu Stream (Kastamonu, Türkiye)**
